

ST KEVIN'S
COLLEGE

2024 VCE Results

Congratulations to the Class of 2024. Once again, St Kevin's College's tradition of excellence in boys' literacy has shone through with top English results. This year's cohort worked particularly hard, taking advantage of before school, after school and holiday revision programs. The value added to students by the College's teaching and learning programs is clear.

Our Year 12 cohort came together, working with our expert Year 12 teachers in and out of the classroom. In addition, the support from families, wellbeing programs and out of hours study opportunities, including the Winter Revision Holiday Program, the September Holiday Revision Program and Café Academus, kept the boys on task, happy and engaged.

While the students' commitment to academic studies is obvious, the time and effort the boys devote to social justice, productions, music, sport, debating, outdoor education, leadership and other aspects of our holistic program will put them in good stead to embrace whatever the future holds.

Guided by the College's values, the opportunity for each student to be at their best, allows each student to flourish.

- Compassion: giving to and working with others
- Integrity: putting forward your best effort and turning up
- Excellence: seeking opportunities to achieve

We wish our students the very best and look forward to hearing the varied ways in which they have used their gifts and talents for the greater good.

Student Leadership Reflections

Hugh Williams
College Captain

Grateful for the incredible opportunities offered to us at St Kevin's, each individual has let their light shine by embracing all that our school has to offer. Through a combination of personal dedication and collective camaraderie, we have not only achieved our best but also made memories we will forever cherish and friendships that will last a lifetime.

Joel Coburn
Deputy College Captain

The Class of 2024 now ventures out into a big world, where it is easy to feel lost and alone. However, St Kevin's once looked daunting too. So, we can take solace in the fact that if the walls of this school could talk about us, they would tell great tales of laughter and mateship, of boys who grew into men. In making one place home, we know that we can do it wherever we go.

Nathaniel Cosgriff
Deputy College Captain

Nothing worth having comes easy, and our excellent results this year are once again testament to the grit and determination of the student body. Led ably by our exceptional teaching staff, the collaboration and collective motivation has spurred the cohort to their maximised potential, not only in academia, but through social justice, sporting, and the arts. It has been the greatest pleasure to work alongside the graduating class of 2024.

James Sutherland
Deputy College Captain

The St Kevin's College community has empowered the Class of 2024 to demonstrate remarkable resilience, unity and dedication. In both academic and co-curricular activities, we've upheld the school's values: compassion, integrity and excellence. Our results reflect this commitment as we proudly continue to live out the St Kevin's legacy.

ST KEVIN'S COLLEGE

STUDENTS WITH AN ATAR OF 98+

Myles Quick	99.8	Lucas Anning	98.65
Matthew Prosser	99.75	Jack Saville	98.6
Joel Coburn	99.75	Anson Cheng	98.6
Zach Ibrahim	99.7	Lucas Jong	98.6
Luke Pipito	99.6	Finn O'Donoghue	98.6
